Dear Sir:

I am in receipt of your letter of October 19th  
and note contents.

Detroit is also seriously affected by the in-  
fluenza, but we probably have not suffered as acutely  
as New York.

If you still have one of the medals issued to  
commemorate the declaration of war by the United States  
on April 6, 1917, I would very much like to have you re-  
serve it for me.

Yours respectfully,

Dear Sir:

I am in receipt of your letter of December 6th and in accordance with your suggestion, am writing to Mr. J. Schulman for information as to the medals which he has available at the present time.

I took the liberty of mentioning your name in connection with my request.

I received the medal which the American Numismatic Society had just gotten out in honor of King Albert and Queen Elizabeth. Please let me know the name of the designer of this medal.

The medal is firmly attached to the case. Am I to assume from this that the reverse side of the medal is plain?

Thanking you in advance, I am,

Yours respectfully,

I notice what you say in regard to the Belgian Medal. The medal should come out of the case and show the reverse which is

really very fine. Both the obverse and reverse were designed by Mr.
